IDEAL LOCATION

Chicago is a great city for research, highly educated urban and suburban with great diversity. And our O'Hare area is the perfect place to conduct research in Chicago.

Central Location

Our location pulls participants from all demographics and socioeconomic classes.

Did you know that the O'Hare area is a better place to host research with medical professionals?

It is convenient for most of the city based medical professionals and we also attract professionals from the leading suburban locations. Why limit yourself with the difficulties of a downtown facility with limited and expensive parking when you can make your life easy?

Great Food

Be it Chicago's famous hot dogs or deep dish pizza or our renowned Steakhouses, you're in for a treat. Right in our back yard you will find... Fogo de Chao, Mortons, Gibsons, Capitol Grill, McCormick and Schmicks, Plus local favorites; Gino's East Pizza, Maria's Mexican food, Carlucci Italian, Nicks Fishmarket, and Harry Caray's.

Shopping

The brand new Fashion Outlet mall is only 5 minutes away and we are 15 minutes from Woodfield Mall, Chicago's largest enclosed shopping mall.

Entertainment

Again only 5 minutes away are a host of entertainment choices, such as large venue shows at the Allstate Arena and the Rosemont Theater, Rivers Casino, Zanies Comedy Club, Kings bowling, indoor skydiving plus several pubs, bars and beer gardens; including Hofbrauhaus, and Toby Keith's, I Love This Bar & Grill.
